

Trip to Oslo

Tuesday the 13th of November we went to Oslo with the Comenius group. We got up early and everybody was ready for a nice trip. The bus left the school at 9 am and when we got to Oslo at 12 pm. We went to the Nobel peace prize center and got a tour with a guide through the whole center. Some thought it was interesting while some thought it was boring. After the visit to the center we went to the Vigeland Park. We got to see a lot of weird and beautiful sculptures and the guests liked it. After the Vigeland Park we went to the castle. We took some pictures and after that we got a little free time to shop and watch other things in Oslo. At 5:30 pm we all gathered at Hard Rock Café to eat dinner. The bus went home at 7 pm and we got home at 11 pm.
